Dear Principal.

We have something important to confirm with your company.
On the July 27th 2010, we received an application formally from one company named "Qutra Investment Co., Ltd" who applied for the Internet Keyword"XXX" and some domain names relevant to this trademark from our organization.

After our initial examination, we found that the Internet Keyword and domain names applied for registration are as same as your company's name and trademark.

These days we are dealing with it,so we hope to get assistant from your company.

Considering this issue will relate to your intellectual property, now we have not finished the registration of Qutra Investment Co., Ltd yet,in order to deal with this issue better, Please forward this email to the person who can be in charge and contact us by telephone or email as soon as possible. Thank you !
